

Contributor Image Guidelines

The images should reflect the themes highlighted below and, importantly, feature people within the image.

We will select one image for each theme:

- Inspiring Design
- Inspiring People
- Inspiring Environment
- Inspiring Collaboration
- Inspiring Value
- Inspiring Voice

When you submit would you please ensure that you have permission to use the image for publication. Please also include the following information with each image:

- Your name:
- Image source:
- Image credit:
- Project name and Architect or relevant organisation
- Theme

Submission Checklist

- Files are saved as JPEGs in CMYK colour
- Image source and photographer
- High resolution photos that are 300dpi or greater
- No watermarks, borders or personalised text
- No visible logos and branding (except where they are an integral part of the overall image e.g. name of building)

Note: All images in the draft document carry a clear watermark indicating that they are non-Scottish sample images.

Design Notes:

The document will be risograph printed on recycled paper. Images must be suitable for half tone with good contrast to print monotone – see link [here](#) for an example. Images must be suitable for half tone effect.
